Fantastic ~~course~~ course, the teaching from both Monte and Chris was great! Learned a lot, and really appreciate the time taken by both Monte and Chris to answer my questions both over ~~the~~ email and in person.

But overall really impressed, and would strongly recommend the course to colleagues.

a little more intro
+ explicit link to that day's topic

Well done, both of you.

The labs were really helpful!
Maybe the time structure could be organized a little different, to have more time for the actual lab exercises.
